

Did You Know?

Iowa Credit Unions Provided
More Than \$550,000 to Flood
& Tornado Victims in 2008.

We did.

The 2008 floods and tornadoes affected many Iowans. The Iowa Credit Union Foundation, the philanthropic arm of the Iowa Credit Union League, raised \$553,000 for 1,106 needy Iowa families, through the generous support of Iowa credit unions.

These funds were distributed quickly to provide needed assistance to Iowans forced to relocate or families dramatically impacted by the disasters.

The Iowa Credit Union Foundation continues to help Iowans build wealth, responsibility and independence through its various programs, grants and scholarships.

This is just one example of how Iowa credit unions continue to serve The Little Guy, hard working Iowans from all walks of life.
